Africa Volume**

The purpose of this volume is to update the knowledge of previous volumes of the General History of Africa in the light of new developments in research. Questioning the practices and theoretical postures of the writing of African history, this publication aims to give a fresh look at the long history of Africa, by introducing new categories such as early history.

century. This period constitutes a crucial phase in the continent's history in which Africa developed its own culture and written records.

## Africa Abridged Vol 8

### **General History of Africa (UNESCO)**

The General History of Africa is a two-phase project launched by UNESCO in 1964. The 1964 General Conference of UNESCO, during its 13th Session, instructed the Organization to undertake this initiative after the newly independent African Member States expressed a strong desire to reclaim their cultural identity, to rectify widespread ignorance about their Continent's history, and to break free of discriminatory prejudices. Phase One, which began in 1964 and was completed in 1999, consisted ...

## **Wikipedia** Since 1935

The result was the elaboration of the General History of Africa into eight volumes (Phase I of the project). This huge task, completed in 1999, had a great impact in Africa and, beyond, within the scientific and academic circles and is considered as a major contribution to the knowledge of Africa's history and historiography.

Africa has moved from international conflict under foreign domination to struggles for political sovereignty and economic independence. Looking at the changes in Africa's fortunes since 1935, this volume examines the challenges of nation-building and socio-cultural changes affecting the continent. The series is co-published in Africa with seven publishers, in the United States and Canada by ...
