Native American culture struggled to survive after the white man invaded their lives. Living through forced moves, war, starvation, diseases, and assimilation, these strong and spiritual people managed to keep their many legends and stories alive. Passed down through the generations, these many tales speak of timeless messages of peace, life, death, and harmony with nature.

Native American legends often feature terrifying creatures that have ties to witchcraft, and skudakumooch is no exception to the rule. Skudakumooch, also known as "Ghost Witches," are the Native American version of what others would call a lich. A Ghost Witch is a paranormal creature that was created from the corpse of a shaman who practiced dark magic. Every night after the shaman's death, a ...
