The installation process is
slightly different depending
on if you are on a Mac or

Online Library ProPresenter 3 Manual

Windows machine. To install ProPresenter on a Mac, unzip the Zip file that downloaded from the website and you'll see the Application file appear. Drag that Application file to your Applications folder in the

Online Library ProPresenter 3 Manual

Finder and then launch the Application itself from there.

~~Getting Started |
ProPresenter~~

Working with Slides. Every presentation in ProPresenter

Online Library ProPresenter 3 Manual

consists of at least one slide, even if it's just a single media action. Each slide can tell you a lot about what is going to happen when you click on the slide, including the type of media action, whether there

Online Library ProPresenter 3 Manual

are any other Actions that will happen if you click on the Slide, if it is a part of a Group or has a Label, etc.
