Classics World's Chris Stacey road tests and reviews the 1999 Range Rover P38A... The second generation version of the Range Rover was labelled P38A, after the design team's building location at Land Rover's Solihull plant. Spen King's original or 'classic' Range Rover had a production run of more than 20 years, including facelifts, upgrades and the introduction of a five door body.

~~ROAD TEST - 1999 RANGE ROVER P38A | Classics World~~

In 1999 the Range Rover V8 received a new Bosch engine management system from the BMW 7 Series (E38). This replaced the Lucas GEMS system. This engine is also known as the Bosch or Thor engine. It can easily be identified by its intake manifold. The diesel edition received an EGR system, which came with a plastic inlet manifold.

Range Rover (P38A) The Range Rover (LP) is the second-generation Range Rover model from British car maker Land Rover. It was launched on September 28, 1994, 24 years after the introduction of the first-generation Range Rover. It included an updated version of the Rover V8 engine, with the option of a 2.5 litre BMW six-cylinder turbo-diesel.

~~LR Range Rover - Range Rover P38~~

The running gear was pretty much classic Range Rover, with the long-serving ex-Buick V8 carried over for the petrol models but when it came to the diesels, there was a problem: at this end of the market, the four-cylinder TDI engine from the classic Range Rover simply wouldn't do and Land Rover's own five-cylinder TD5 was still a long way from the showroom.

Available from 1999, the P38A.II Range Rover introduced upgraded engines, revised interiors and additional safety equipment. The 4.0- and 4.6-litre V8 engines received new Bosch 5.2.1 engine management systems (replacing the Lucas GEMS system), new air cleaners, intake manifolds, stronger cross-bolted cylinder blocks and low back-pressure exhaust systems.

~~Review: Land Rover P38A Range Rover (1995-02)~~

It gave Range Rover buyers an economical option, but it was no ball of fire in the heavy Range Rover shell. When the P38a made its debut in September 1994, it was an instant hit. Despite its aged underpinnings, it was regarded as the best off-roader in the world, while in range-topping Vogue SE and HSE trim levels it was quite something to behold.
