I bought a used Summit 19-4 x 80 lathe a

Download Free Summit 19 4 Lathe Manual

couple of years ago for my hobby shop. Got a great deal, which was part of the reason for buying it, the other was because I grew to hate changing belt positions. When asking a nearby machinist (who I look up to) about this lathe he told me he used to own 3 of them and they made him lots of money over ...
