In this handy manual, social psychologist Newman (Parenting an Only Child) writes with humor but a no-nonsense tone, offering 250 short, dramatic scenes that demonstrate workable techniques for helping you just say no. Newman contends that for many people, saying yes to whatever is asked of them is an unhealthy pattern driven by a need for approval, love or admiration, rather than a desire to help. To those who make a habit of accommodating others against their better judgment, the author ...

An algorithm is used to create a master list based on how many lists a particular book appears on. Some lists count more than others. I generally trust "best of all time" lists voted by authors and experts over user-generated lists. On the lists that are actually ranked, the book that is 1st counts a lot more than the book that's 100th.

In the thrilling conclusion to the Maze Runner trilogy, The Death Cure, a surprising twist happens on page 250. It is revealed early in the book that Newt was not immune to the flare, unlike his fellow Gladers. When Thomas, Jorge, Minho and Brenda attempt to get into Denver, they realise they all have to be immune to the flare to get in.
