The Self We Live By addresses the major trends in the sociological analysis of the self. Taking issue with contemporary trivializations of the self, the book traces a course of development from the early pragmatists who formulated what they called the "empirical self," to contemporary constructionist views of the storied self.

Amazon.com: The Self We Live By: Narrative Identity in a ...

Challenging the traditional view that our personalities are formed by fixed, unchanging characteristics, or by predictable stages through which every individual travels, The Stories We Live By persuasively argues that we are the stories we tell. Informed by extensive scientific research—yet highly readable, engaging, and accessible—the book explores how understanding and revising our personal stories can open up new possibilities for our lives.
