Van Tharp is a trading school offering a smorgasbord of trading products and services. It is the Walmart of books and live trading workshops just like Base Camp Trading.. A workshop can cost as much as \$12,995 but the shocking thing is the huge number of financially-desperate people looking for the holy grail trading strategy that Dr Van Tharp offers.

Van Tharp Institute Review: Is Van K Tharp a Scam?

Dr. Van K Tharp, armed with a Ph.D. in psychology and several losing experiences in the market, realized that perhaps the poor results that he'd been getting in the markets had more to do with him than the markets themselves. So in 1982 the quest began for how he could become a better trader.

In early 2010—almost 10 years after buying Trade Your Way to Financial Freedom—I thought I might be ready to try trading again on my own. I was still scared of losing, but believed that if I kept my position sizes relatively small, I could stop trading and limit my losses. To promote discipline, I created a few simple rules for myself: Never risk more than two percent of total account
